REQUEST FOR PROPOSALS – CCHD Ambulance Station Owner Advisor Services

Question Submission 1-22-2025

1. In 6.3 of the FORMAT, CONTENT, and SUBMISSION REQUIREMENTS Section, we understand the District will notify the Firm(s) whose proposals have been accepted with instructions on uploading their electronic .pdf copy to the District's website. Do the electronic copies need to be uploaded by the RFP submission due date and time of 1/29/25 at 2:00 pm, and if so, should we plan on submitting the hard copies sooner than 2 pm?

No. Electronic copies do not need to be uploaded by the submission date.

2. Has an environmental study been conducted for this project, and if so, may we review available EIR/CVEQA documents?

EIR has not been done and may not be required. The County will do an environmental determination as part of the permit process. We are expecting an Exempt or Negative Declaration

3. Has a geotechnical analysis of the site and building area been conducted, and if so, may we review the geotechnical analysis?

A geotechnical report has not been performed

4. The link to the hazardous materials survey on the website doesn't appear to be working. Would it be possible to refresh it?

The link to the hazardous materials survey has been updated
